

... the passage of time has not diminished a single memory of our wedding day and the wonderful service you provided to us. From our initial consultation, to our wedding day, to the last order for pictures, you have all provided us with excellent, efficient, and professional service. Dealing with any one of you was always a pleasure and your experience in this field is obvious as, in addition to photographers, we often found you as great advisors, shoulders to cry on, and, most importantly, friends.

Capone Photography has the excellent and rare skill of being able to maintain a timely schedule on the wedding day, take many pictures, take gorgeous pictures and do it without the bride and groom even knowing you are there. We cannot say how much we appreciate the fact that our day ran so smoothly with regard to pictures and then, as the ultimate added bonus, we were so pleased with the variety and quality of the pictures taken at the wedding. In retrospect, having beautiful pictures to take away from this day was probably the single most important part of the entire process.

We consider this not the end of our wedding relationship with Capone, but the beginning of many more events to come!
Our best to you all.

Very Truly Yours,

Frank & Renee

John, Nancy and Lindsey make you feel like family the moment you walk thru their door. I was honored that they were able to capture the most important day of my life. You worry about a million things on your wedding day, and with Capone Photography you NEVER have to worry (=

How can I begin to thank you for making our daughter's wedding the most perfect day that it was? Words do not seem enough – you all felt like family. I truly felt like I was saying goodbye to guests at the wedding when you left. You made us all feel so very comfortable. Please know that I will highly recommend you at the top of my lungs if anyone ever needs a photographer. We will be trusting you and calling you for all the important photographs from this day forward. I also want to thank you for taking the time to go with us to the nursing home to take pictures with my mom. That means more to Megan, my dad, and me than you know. You showed such compassion. You are very special people and again, I thank you from the bottom of my heart.

Search no more, Capone photography is the BEST. Besides the fact that they are the nicest, most professional and accommodating family you'll ever meet, the artistic product is second to none. My wedding pictures were breathtaking and worth every penny. What sets Capone apart from other vendors is that you can trust them and they genuinely care about your pictures and the service they provide. They have made a lifelong customer in our entire family.

Choosing the Capone's was the best decision we ever made. They are professional, caring, and fantastic photographers. They were an absolute pleasure to work with. My husband and I are ecstatic with our pictures. They created memories that we will have for a lifetime. I would highly recommend the Capone's!

Thank you so much for helping us to make our wedding day so memorable and special. Our proofs are AMAZING, and nothing short of PERFECT. We are so happy we chose you to capture our wedding day memories. Each of you have been so professional, yet compassionate throughout our entire wedding planning experience. You are truly THE BEST at what you do!

Capone photographed our wedding in Cape May, NJ. They are not just excellent photographers, they truly are artists! My wife and I left it up to them to choose all our pictures for our album!! I look at it every day!!! They also did my sister's wedding and about three of my friends. Worth every penny!!!!!!

...You are all such a pleasure to work with! Words could never express how thankful we are for all of your time, effort, and hard work. The work you all did was amazing! You captured our special day in a *picture perfect* way, and we are both so grateful for everything!

I am so incredibly impressed with how fantastic these photos turned out!! You are all just so amazing and talented at what you do. I was very much anticipating getting word from you that the photos were ready to be viewed, and once I received word...I have not stopped looking at them. I also wanted to let you know how happy our parents were too, plus many friends and other family members have viewed them and thought just the same thing. I have received so many compliments on what a great photographer we have – and we feel so lucky to have such a great team of photographers helping us along. It definitely makes the process go much smoother. Thanks again for all your efforts.

THE BEST! John, Nancy and Lindsey are great! The pictures they take are unbelievable. With the three of them you don't even know that some of the pictures are being taken so you'll have pictures from all angles. I used them 5 years ago and still haven't seen any photography work better than theirs. When someone tells me they are getting married or want to get family pictures done I always tell them about Capone Photography. My sister had her newborn sons pictures done and they did a wonderful job with those pictures too. The three of them have great personalities, I was sad to see them go after my wedding! They really are the BEST! I wouldn't use anyone else for pictures ever!

As the “Mother of the Bride”, I can’t express to you all how absolutely fantastic you all were at the wedding of my daughter, Jennifer.....Your professionalism, your talent, the way you all work together just totally blew me away!...My thanks to you all for a job so far above the best of the best, I truly cannot put into words...No wedding that I know about will happen without my recommendation of your company...I thank you from the bottom of my heart for the memories you have given me!

Terri

We want to express our sincere thanks to you for, (exactly as we requested), being completely unobtrusive while photographing our wedding. Despite the fact that the entire day was being documented, we never once felt intruded upon or interrupted from the festivities in any way. Your professionalism was outstanding - we even received comments from our guests complimenting all three of you on your pleasant demeanors and courtesy!

What can we say about Colleen and Jeff’s wedding pictures except “WOW”! The three of you have succeeded in capturing those special moments we spoke of 1 1/2 years ago, when we contracted with you to photograph Colleen’s wedding. These pictures just take our breath away. The three of you are amazing. It is obvious this is not just a job for you, but a passion...The first time we looked at them we all cried. They are that beautiful...We would like to thank you, John, Nancy and Lindsey, for bringing to life that very special day for us every time we hold those pictures in hand. You are like family. You are good people.

...After research of various photographers for our wedding, it was evident that Capone Photography were the professionals that we needed for our wedding. This decision was made after seeing you in action at our friend's wedding, observing how skillfully and smoothly you conducted the shooting, moving everything along in a quick but calming way. Then we were given the opportunity to see your work through our friend's proofs and were immediately impressed by the classic, yet artistic quality of the work. In addition, we were always welcomed with open arms into your home/office, where your kindness and warm way made us comfortable and confident in or important event....Moreover, your graciousness throughout the whole process was well-received, including the thorough timeline that eased all of our concerns...The friends and family that have seen the web site and proofs thus far, have told us that they are the best wedding pictures they have ever seen. You truly are the BEST!...You effectively and efficiently captured our day, flawlessly. We will remember you as friends who helped make our wedding a cherished, once in a lifetime, magical moment in time, and who have given us the memories we will have for the rest of our lives.

We just want to thank you for the wonderful pictures you took on our daughter's wedding day...Your attention to detail is amazing and the countless unique shots are incredible. You must be commended on your exceptional work. You are all so talented! But more importantly, we want to thank you for being a great asset on such a hectic, nerve-racking day. Your professionalism and assistance throughout the day was extraordinary. You were more than photographers, you were coordinators. Your expertise and management skills helped to make our day go so smoothly. Many of our guests...told us that it was amazing how the photographers were so unobtrusive and yet took so, so many beautiful pictures.

Jose and I wanted to take the time to give our sincere and heartfelt thanks for the fantastic work done on our wedding day. From the moment we met, Jose and I knew that no one but the Capone Family would do our pictures. We can honestly say that it was the best decision we made throughout all of the planning. We want to also thank you for the wonderful care that was given not only to ourselves, but also to our families. All of you truly made our day special. We cannot thank you enough!
